We will have around 500 players registered and are unable to guarantee that your request to be on a certain coach's team or to be placed with a friend will be fulfilled. This could and does affect the equal make up of talent on teams based on the evaluations as well as presents a considerable logistical challenge.

Final Note:

We are always in need of volunteers for: Coaching, Refereeing, Organizing, Field maintenance, helping keep the facility clean, and anything else that comes up along the way. So if you are interested in lending your gifts to this ministry or know of someone who would be interested, please do not hesitate to contact me. I look forward to meeting each of you and I thank you for being a part of Upward Soccer this season.

In Christ,
