

The Fine Arts Academy Day School offers programs designed for our preschool children, ages 3-5. Our schedule follows the McEachern Preschool calendar. The Art and Music class meets on Mondays from 9 am—12 pm, and the children spend half of the morning in art and the other half in music.

The art course focuses on the "experience" of art — the process over the product. This encourages the child to express his creativity in producing his unique art. Art is taught by Beth Morris who is a certified visual arts instructor.

Music Play is used for the music class, along with a popular Christian music program. The curriculum is child-centered and developmentally appropriate. Tapping out rhythms on sticks, shaking bells, moving, dancing and singing are all part of the preschooler's activities in with Anne Gordon.

We do break and have snack and free play half way through the morning, so please plan to send a nutritious snack and drink for your child each time he/she comes to school.

ENROLLMENT is accepted on an ongoing basis.
