WEEK THREE

Pearl of Wisdom

We've been picked for God's team, and we're all part of the first draft. He wants each of us to be part of the family.

And here we are at the end of the third week, halfway through *Treasures of a Transformed Life*. Are you finding any transformation in your own?

This week's readings covered the importance of presence. Remember how Woody Allen said, "Eighty percent of the success is showing up"? Well, it's good that you're here—you've already succeeded! It's great that you understand the Church needs you as much as you need it.

Take a minute to look around you and see all your brothers and sisters in God's family. Each one of them has passions, challenges, joys, and unanswered prayers, just like you. So how well do you know what they are? Before you leave today, connect with someone who's outside your normal circle. Offer a word of encouragement, a moment of prayer, or even a hand with a task. Along the way, you might notice an interesting thing happening: someone doing the same for you. Doesn't it feel great to love and be loved?

Since we're all part of God's family here on earth, we're called to love each other in a way that makes those on the outside want to join. So what does your attitude towards others in your church family say to the world?

Coming up next week: What's in your wallet?
